CASA REMOTELY PILOTED AIRCRAFT LICENCE (RePL) Training Course (5 days)

This certification applies to the individual who would be employed by a ReOC holder, for commercial work operations. Our **basic Remotely Piloted Aircraft Systems (RPAS) Training Course** is fully integrated including **theory and practical flying training**, resulting in the student receiving his **Remotely Piloted Aircraft Licence (RePL)**. Enables people **with no aviation experience** the option of gaining a licence that is focused entirely on the operation of a remotely piloted aircraft system (RPAS). **Check our website for subject details . GROUP BOOKINGS of 4 or more students attract a discount. .Please email us for cost details.**

COST: \$3,000.00 all inclusive (Direct bank transfer or Paypal. Paypal fees apply)

TRIAL INSTRUCTIONAL FLIGHTS for RPAS Training Course students in a light recreational aircraft. Sundays before each training course.

*\$120 per person.
Cash on the day.
BBQ lunch
included.*

BRILLIANT OPPORTUNITY for 'HANDS ON' FLYING UNDER THE INSTRUCTION OF A FLIGHT INSTRUCTOR

- Introduction to flying principles used for RPA aircraft.
- Introduction to aircraft radio.

STUDENTS NEED TO BOOK via email to uav@interspatialaviation.com.au

CASA REMOTELY PILOTED AIRCRAFT LICENCE (RePL) 1 day program

For those with **prior aviation knowledge & have passed a private pilot licence theory course & exam**. This certification applies to the individual who would be employed by a ReOC holder, for commercial work operations.

You can log five hours with a basic RPAS training provider (such as IAS Pty Ltd), to get type rated and gain your RePL.

COST: \$760.00 (direct bank transfer or paypal. paypal fees apply). CASA fees are included in this price.

'TYPE' TRAINING for ADDITIONAL CLASS MULTIROTOR BELOW <20kg Half day program

This is a variation to an existing CASA Remotely Piloted Aircraft Licence (RePL). This training will give you an additional class multirotor below 20kg (endorsement) on your RePL.. **Train on our multirotor or bring your own.**

COST: \$300.00 if we train you on our multirotor (using a specialist trainer) OR \$100 if you have your own multirotor & have practiced (direct bank transfer or paypal. Paypal fees apply). CASA fees are included in this price.

DRONE PHOTOGRAPHY & VIDEOGRAPHY

This **monthly two night course (6-8pm)** is suitable for drone pilots that already own a drone & would like to learn how to create a tangible finished product that they will be able to sell to potential clients. **COST: \$150 all inclusive.** 2-6 students per course. **Bookings essential.**

BELOW <2KG COURSE: RPA SYSTEMS – OPERATION OF EXCLUDED RPA.

Training for the commercial operation of below <2kg RPA without a remote pilot licence (RePL) or RPA Operators Certificate (ReOC). **Cost TBA shortly. Ring for more information.**

REMOTELY PILOTED AIRCRAFT OPERATOR CERTIFICATE (ReOC)

IAS Pty Ltd is a CASA approved ReOC holder:

An RPA pilot who has trained with IAS Pty Ltd, may apply to operate as a contractor within IAS Pty Ltd. **OR;** RPA pilots can apply to CASA for their own ReOC

COST: Application Fee \$150.00 all inclusive (direct bank transfer or paypal. Paypal fees apply).
